

HOMESCHOOL TESTING 2008

Testing is an ever changing process and so, for 2008, it changes again.

For more about the changes contact the Arkansas Home School Testing Office at 501-354-3136 or visit their webpage at [www.afsc.k12.ar.us/homeschool](http://www.afsc.k12.ar.us/homeschool).

Testing for the SCCHEA ALT SITE will take place in 1 morning only. Tuesday April 8th from 9-12 a.m. at Highland Heights (location currently pending). Students will only be tested on 1 reading subtest and 1 math subtest according to the state website.

SCCHEA Alt Site registration is limited to paid members only. No alt site information will be listed on the state website, or information found there will be for the State Test Sites Only. If you wish to test with the alt site you must fill in the information below and mail as requested. Only those students whose parents mail in this form to the SCCHEA Coordinator will be permitted to test with SCCHEA- No Exceptions. I plan to have this posted on the loop, and will have this form in future newsletters for new members.
